Dear Harold, 5/8/95

Enclosed is a copy of the big full-page ad for Mailer's book in this past Sunday's (May 7th) New York Times Book Review section. I find it a bit curious that the ad claims no one else has asked the question, who is Oswald? Not even their star of two years ago, Gerald Posner? Also enclosed is an article I believe you sent me which includes some choice Mailer quotes. Just in case you may have misplaced it.

Best,

Gerry
